

Murphey & Kenny Modified Student Self-Evaluation Handout

1. Did the leader assess team comprehension by summarizing the task, activity, or teacher instructions?
2. Did team members demonstrate active listening and engagement by asking questions of clarification/confirmation/elaboration? Transcribe the specific questions and identify the team members:
3. Did the leader or another group member clarify, confirm, or elaborate (Y/N)? Who?
4. The leader used this language to transition from summary to task execution:
5. The leader used the following language to divide the task labor among team members:
6. Team members used body language (i.e., eye contact, posture, etc.) to convey active listening (Y/N). If no, identify participants who did not?
7. Did any failures of communication occur (i.e., abandoned attempts of repair or clarification)? If so, list them here:
8. The goals of the activity were the following:
9. Rate the team's overall success at achieving the task goals as follows (where 1 = "Not at all"; 5 = "Completely"):
